

## Accommodation

Dorms are between three and six people per room. The dorms are fairly small so we will only be using the bottom bunks so that the top can be used for your gear. There is limited power outlets in each dorm.

The camping area is a 20-mtr walk from the carpark down some stairs and an incline. It is a level grassy area with trees around it next to the cottage and near the toilet block.

There is NO power in the Car Park.

# What to Bring
